# FLOOR PLAN: Miley

## FEATURES

With nearly 2,100 square feet of living space, the Miley is crafted with our customary top-quality workmanship and finished with some of the finest materials available in today's marketplace. This model features:

- A split-, 4-bedroom layout for ultimate privacy
- The master suite is a highlight with a tray ceiling and massive walk-in closet
- An expansive floor plan with an open living room, dining room, and kitchen
- A welcoming and inviting covered entry at the front of the house
- The lanai affords the opportunity to lounge, relax, and enjoy the fantastic Florida climate
- An oversized, garage offers an abundance of storage options and space to work on DIY projects
